

EMUK-TWISTER

EMUK COM

Die sichere Verbindung.

The ingenious helper for everyday camping!

The **EMUK - TWISTER** is a universal lid opener, with which you can conveniently and easily open any type of screw top jar or bottle.

Both metal and plastic screw tops.

Handling is extremely easy.

Choose the lid size, grip it and twist.

Thanks to the leverage effect, only a minimum of force needs to be applied.

The rubber inner ensures optimum transmission of power.

The ergonomic soft handle sits comfortably in your hand and does not slip.

Therefore, the tool is also perfectly suited for persons with reduced hand or joint function.
