

# Montagebeiblatt für Art.-Nr. 100162

1. Packungsinhalt: Halter rechts + links, 2 Spiegelköpfe, 2 Anleitungen, 1 Tasche

A photograph showing the contents of the product packaging. On the left is a cardboard box. In the center is a black plastic bag with the brand name 'EMUK' printed vertically in yellow. To the right of the bag are two instruction manuals, one of which features a '5 Jahre' (5 years) warranty logo. A black mirror bracket is also visible, partially obscured by the bag.

2. Halter von innen am Spiegelgehäuserand einhängen.

A close-up photograph of a black, oval-shaped mirror housing. A black plastic bracket is being attached to the inner edge of the housing. The bracket has a curved shape that fits into a recessed area on the housing.

3. Halter von unten nach oben über den Seitenspiegel ziehen und andrücken.

A close-up photograph showing the black mirror housing from a side profile. The black plastic bracket is being slid over the top edge of the housing. The bracket is positioned so that it will clamp onto the housing.

4. Klemmschelle über dem Spiegelgehäuserand fest anschrauben.

A close-up photograph of the black plastic bracket now clamped onto the mirror housing. A black plastic clamp with a central screw is being used to secure the bracket. An inset image in the bottom right corner provides a magnified view of the clamp being tightened onto the bracket.
